At Uley School we acknowledge that moving to the next class or phase of education is exciting and can sometimes be a little daunting. We always do our utmost to support the children through these changes to ensure a smooth and happy transition. We will soon start preparing for the next stage in their journey through 'getting to know you' sessions. Staff also have opportunities for 'handing over' information from one class to another.

Due to the small size of our school, all the staff know the children across all of the year groups. In addition, the children are also familiar with the different adults who help and work at Uley due to classes, groups and key stages frequently working together on projects such as the performance, or in subject areas such as PE, phonics and spelling.

We would also like to support the parents and carers to ensure a smooth transition for all involved, therefore we encourage you to come and meet the teachers. There are two opportunities – **Thursday 20th June between 5.30pm and 7pm** and **Thursday 11th July between 3.30pm and 4pm**. This is a great opportunity to ask any questions, talk about any worries, find out more about the academic year ahead, and how we can help you to support your child at home.

We are looking forward to working with you and your children next year.

Yours sincerely,

Zoe Mandeville
