

Monday 27th January 2020

Dear Parents / Carers,

Parents' Evenings are on Wednesday 12th February, 5pm-7pm and Thursday 27th February, 3.40pm-5.30pm. This is a good opportunity for you to discuss your child's progress and ask questions about supporting your child's learning at home.

Appointments are for 10 minutes and are allocated on a first come first served basis. Please select two half hour slots, indicating your first and second choices. You will then receive confirmation of the allocated 10 minute slot within (hopefully) your preferred time frame. If you think you need extra time, please arrange this separately with the class teacher(s).

Should you wish to speak to Mrs Delrosa regarding any of the subjects below, please speak to Mrs Delrosa to arrange a suitable date and time.

Class 2 – PE & PSHE

Class 3 – PSHE & French

Class 4 – RE & French

Please fill in the form below and return by Wednesday 5th February. Please don't forget to add the name of the child/children.

Should appointments run over then we politely request your patience and understanding, please be assured that we do all we can to avoid running late. Should this happen then we will offer you an alternative. If you be unable to make your allocated appointment, then please let us know.

Yours sincerely,

Zoe Mandeville
