## Maths activities and focus for the next week

Please complete the appropriate daily maths challenge

All children: Mathletic challenge/s linked to time will be set on Monday mornings and will be available for a week to complete.

• Year 3

Monday	Complete the fractions recap questions. What can you remember?
Tuesday	Complete the money questions on the separate sheet.
Wednesday	How many 1p's are in £1? How many in £5? Convert 650p into £
Thursday	<ol> <li>Rosie has 5 silver coins in her purse. She can make 40p with three coins. She can also make 75p with three coins. How much money does Rosie have in her purse?</li> <li>Amir has 5 different coins in his wallet. What is the greatest amount of money he could have in his wallet? What is the least amount of money?</li> </ol>
Friday	1. Write each amount in pounds and pence. 165p, 234p, 199p, 112p, 516p, 465p

• Year 4

Monday	Complete fractions recap sheet. What can you remember?
Tuesday	Complete the money questions on a separate sheet
Wednesday	<ul><li>1.How many pence make a pound?</li><li>2.Why do we write a decimal point between the pounds and pence?</li><li>3.How would we write 343 p using a pound sign?</li></ul>
Thursday	Complete the part-whole models to show how many pounds and pence there are.

Friday	Eva has these coins:
	She picks three coins at a time.
	Decide whether the statements will be
	always, sometimes or never true.
	She can make a total which ends in 2
	She can make an odd amount.
	She can make an amount greater
	than £6
	She can make a total which is a
	multiple of 5 pence
	Can you think of your own always,
	sometimes, never statements?
