

Please support your child to choose a minimum of **four** activities to complete at home over this term. Children can bring homework in during the week Monday 8<sup>th</sup> December 2025. Once all homework has been received, the children's work will be celebrated and shared amongst the class and individual team points will be collected and awarded.

We recommend choosing a range of activities across the subject range. If you require any equipment/resources to help complete the tasks please do not hesitate to ask!

These tasks are to be completed in addition to **daily home reading, times table practise, and weekly spelling**. Please use [www.timestables.co.uk](http://www.timestables.co.uk) to support times tables- your child's login can be found in their reading record.
