

# ULEY CE PRIMARY SCHOOL NEWSLETTER

15th July 2021

*Live, Learn, Flourish*

They are like trees that grow beside a stream that bear fruit at the right time and whose leaves do not dry up. They succeed in all they do. Psalm 1:3

*This is Uley School.  
Let peace dwell here.  
Let the rooms be full of contentment.  
Let love abide here.  
Love of one another, love of mankind, love of life itself and love of God.  
Let us remember that as many hands build a house, so many hearts make a school.*

We are coming to the end of an unpredictable year and on reflection there have been a lot of successes. There is a lot to celebrate and to be thankful for.

Admiration goes to all the children who have been at the epicentre and have had to adapt to the changes over the past months. They have shown true resilience, determination and courage. It is a pleasure to work with such marvellous children and to observe how each child flourishes and develops over the year. I am so proud!

Huge thanks go to the dedicated Uley staff team who have gone over and above to ensure that the children have continued to be educated throughout this disrupted year, but also ensuring that everyone has been as safe as we could possibly be. We have relentlessly continued the best we possibly could with the circumstances that we have been presented with and endeavoured to continue with school life to ensure the children experience a 'typical' Uley, with some adaptations!

Thank you to all of our parents and carers who have shown incredible support through the past year, especially during last minute notifications of changes, supporting the safety measures that have contributed to keeping the school safe and supporting the education of the children at home.

We say an emotional farewell to our Year 6s. I wish them all the very best for a bright and successful future – I hope over time they will look back at their time at Uley with fondness and happy memories, even if they are covid memories! I am delighted (and relieved) that we made it to Wales for our residential.

Have a wonderful summer holiday everyone (when we get there) and stay safe!

We look forward to seeing you all again on Monday 6<sup>th</sup> September and our new reception Group A on Tuesday 7<sup>th</sup> and Group B on Wednesday 8<sup>th</sup>.

Thank you for your continued support.

Zoe Mandeville

## Steps to School Challenge

Over the last term, Uley has been participating in the 'Steps to School Challenge' against local schools with the area. This week we received our final standings from the competition and.....

**WE ARE 1ST!!!**

Well done to the whole school for their enthusiasm and perseverance with the challenge.

## School from September 2021

Guidance is slowly filtering through following the announcement of the lifting of restrictions from 19<sup>th</sup> July. As you may know schools have been given the thumbs up to remove bubbles and have been given the go ahead for school workshops/assemblies and to be able to mix at lunchtimes which Uley may begin to implement from September.

Schools are expected to put a covid management plan in place which would mean returning to class bubbles and not mixing across the school should we have confirmed cases in the future. In the short term decisions are being made as to the start and end of the school day. Ideally Uley would like to return to the original start and finish times and we are looking into how we can manage this safely. The school day timings will be communicated once more guidance comes through.

## Governor News

Erica Latham and Graham Wilkes have been re-elected as parent governors. We look forward to welcoming their contribution for another term of office.

Welcome to Matthew Fort, Foundation Governor who will be joining the governing body in the new academic year.

## Staffing News

**Mrs Nash** - Congratulations to Mrs Nash who has completed her Teaching Assistant Level 3 Apprenticeship.

**Miss Walker** - Miss Walker's last day for the academic year will be Friday 16<sup>th</sup> July. Miss Walker is getting married at the end of July and will be self-isolating in order to ensure that her already postponed wedding from last year can go ahead! Best wishes to Miss Walker who will return in the Autumn as Mrs Royle.

## NSPCC – Number Day

Our NSPCC Number Day raised £64.02. This money will contribute to making a huge difference to the lives of children and young people across the UK – thank you so much.

## Children's End of Year Reports

Look out for the children's end of year reports which have been sent out by email. Compliment slips are available and we always enjoy receiving your positive feedback.

## Amended Term Dates 2021 – 2022

Along with this newsletter are the amended term dates for 2021 – 2022. As there has been an additional Bank Holiday added to the June half-term 2022 to celebrate the Queen's Jubilee, schools will now finish a day earlier in July 2022.

## Sports

The children enjoyed sports morning and didn't seem to mind racing in bubbles and with their own equipment, they supported, encouraged and congratulated their fellow school friends. We certainly missed the atmosphere that a crowd brings but hope that next year we can return to some normality.

The team points have been counted and verified and...

Rockstowes 233 points  
Sheppards – 199 points  
Angestone – 178 points  
Dauncey's – 173 points

Our School Councillors (Louis, Eleanor, William, Sophia, Violet (Year 4), George, Lily and Aayan) had the very important job of selecting 2 children from each class who showed excellent sportsmanship.

Well done to Elden, Misty, Miles, Edith, Zoe, Poppy H, Nicholas and James.

Great work everyone 😊

## Coaley-Uley Climate Action Network

Back in the April newsletter we said,

*'The children in Classes 3 and 4 have been learning about Coaley-Uley Climate Action Network (CAN) and climate change. CAN is a small volunteer group who have been meeting regularly, by Zoom this year, to think of ways to help mitigate the Climate problem which is now widely acknowledged. Most of the Parishes in the Stroud area now have CANs, and they link in with Stroud District Council's similar aims. Coaley-Uley Climate Action Network have decided they need a logo to promote their groups and the children in Classes 3 and 4 have been busy designing logos. We will know very soon if any of our Uley designs have been selected'*

Well, we have result...Esme (Class 4) was the winner of the Coaley Network Competition. Her winning design will be part of the new logo of the CAN Network Group.

### **Holiday Activities and Food Programme (HAF)**

This summer Gloucestershire County Council is offering four weeks of activities and events for children eligible for Free School Meals.

This scheme, called the Holiday Activities and Food programme (HAF), is in partnership with district councils, the voluntary sector and other organisations in the county and is funded by the Department for Education.

The HAF programme's purpose is to make sure children are entertained, active, educated, safe and fed between Monday 2nd August and Friday 27th August 2021.

Take a look at our trailer, featuring some of the activities from the Easter programme:

How will it work?

The HAF Summer programme will run from Monday 2nd August to Friday 27th August 2021. Each day, activities and events across the county will be available either in person, or online. Each district area will have its own page so you can find activities closest to you and what is being offered.

Some in-person activities will also need you to sign up in advance so the providers know which children are coming to join that day's fun and games. A meal or food kit will also be provided, dependant on each district's offer.

Sign up to the Holiday Activities and Food programme newsletter to stay up to date on information, key dates and frequently asked questions
