

ULEY C of E PRIMARY SCHOOL NEWSLETTER

24th May 2022

Live, Learn, Flourish

LIVE, LEARN, FLOURISH

Toby for being honest when he realised he had too many snacks!
Zoe for persevering with bowling in cricket.
George, Class 4 for always being truthful in class when incidents have happened.
Florence, Class 1 for being truthful when she had spilt some milk.
Amber for being truthful and asking for help when she needed it.
Zach for always being honest.
Rex S for being truthful about the googly eye incident!
Misty for her ability to communicate what she needs for her learning.
Martyna for her excellent focus and contributions in Maths.
Len for his amazing overarm throwing in cricket.
Athena for always being willing to help others and contribute to class discussions.
Violet, Class 4 for her fantastic attitude and brilliant work in English.
Lily and Eve for their perseverance with their writing – trying hard to add additional language and punctuation features.
Oliver, Class 3 for persevering with writing and earning a pen licence!
Evelyn for beautiful handwriting and spelling in phonics.
Thomas, Class 2 for his recall of science vocabulary related to habitats.

A lot of being honest, persevering and being the best you can be! Well done all.

Jubilee Crowns

We are already preparing for the Jubilee celebration in school. It is upsetting to hear that contributing crowns outside of school has not gone down too well. The idea of crowns was intended:

- to be a little bit of fun
- optional – just like dressing up, some children will want to make them, some will not
- for the children to complete these as independently as possible
- to not cost anything – paper, cereal box, card board box, felt tips, glitter, cut out shapes from paper/ magazines, decorated a hat from cracker (if you have any leftover crackers), paper chain crown, using natural materials

Here are some ideas

- <https://www.youtube.com/watch?v=uVfHglcuFsg>
- <https://www.artycraftykids.com/craft/easy-paper-plate-party-hats/>

We are always promoting coming in and speaking to us with any questions or difficulties rather than receiving emails. I am sure we could have supported individual families in this matter.

Don't forget that staff are happy to arrange a time to talk to you, should you:

- like an update on your child's progress other than Parent's Evenings
- like more information on how to support your child at home
- like to celebrate your child's achievements in and out of school
- have a worry

- have any questions about your child's education
- need clarification/reminders on information

Parking around the School

We have received yet another complaint from a resident about parents using Woodstock Terrace for dropping off and picking up, particularly at breakfast and after school club. We ask that all parents do not use Woodstock Terrace due to the disruption it causes to the residents and the school. Not using Woodstock Terrace will help to keep our children and other pedestrians safe, plus help the school to work in partnership with the community. Thank you.

Ofsted Report

We are pleased to announce that our Ofsted report will be published this week and can be found on line at: <https://reports.ofsted.gov.uk/provider/21/115657>

In summary, since the pandemic has stalled our curriculum progress, we will be prioritising getting our curriculum rolling programmes finalised and rolled out over the next few months as well as focusing on phonics.

Queen's Platinum Jubilee Celebration Lunchtime Picnic

Come dressed up in red, white and blue, wear a crown and bring a picnic.

We would love to invite all parents and carers for a Jubilee Picnic Lunch on the last day of term –Friday 27th May at 12pm – 1.15pm to celebrate the Queen's 70 years of service. We are hoping for a sunny day so that we can sit on the school field to eat, drink and be happy. Don't forget to bring a picnic!

After School Clubs

An email was sent out last Friday regarding staff led after school clubs. Please fill in and return the slip to let us know which club you are interested in.

Outside Activities

Mrs Cath Wasley will be making good use of the outside area and working with the infants in small groups over the next few weeks. We will be taking part in the schools wild challenge

<https://www.rspb.org.uk/fun-and-learning/for-teachers/schools-wild-challenge/>

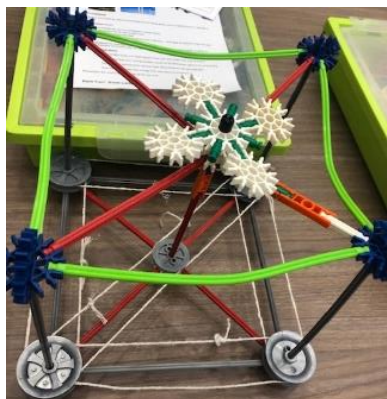

Knex Challenge

Great work Eve and Poppy for taking part in the 2022 Knex Challenge at Renishaw last week.

The challenge was to build an alternative energy source using either wind or water power to operate a machine.

The design must:

- Demonstrate the use of a renewable energy source
- Be strong and sturdy with a solid base
- Be able to stand unsupported
- Be easy to use and demonstrate how it will work – what type of machine might it be used with?

Young Voices

We had a fantastic time at Young Voices last week. It was great to be back together after so long and to take part in this incredible experience! Thank you Mrs Grace for running the club and to Mrs Grace and Mrs Delrosa for helping at such a long, but enjoyable day!

Dates for your diary – please also look on the school website calendar where you will find dates and all the information you need:
