

Uley Pre-School

Part of Uley C of E School Primary

We would like to welcome you and your child to our Uley Pre-School at Uley C of E Primary School.

Uley C of E Primary School

Uley School is a welcoming, inclusive family school with a strong Christian ethos, a sense of community and a commitment to excellence for all children in our care. We aim to ensure that each one of our children feels happy and safe, and is enthusiastic, secure and confident. We do this by nurturing each child's uniqueness and responding to individual needs. We want each child to flourish in their learning and to be the best they can be, now and for their future.

Our Pre-School

At Uley Pre-School, we embrace our vision to "Live, Learn and Flourish" by providing an environment where every child is given the opportunity to be the best they can be, succeed and flourish. Our Pre-School children are integrated into Class 1, alongside our Reception children, allowing them to access to a play-based curriculum as they would in other pre-school setting. This integration helps to foster a sense of belonging and encourages early learning through shared experiences, ensuring each child feels part of our nurturing school community. It also enables a seamless transition in to their reception year.

Class 1 caters for Pre-School and Reception aged children. The children work together for some tasks and in separate age appropriate groups for other tasks. Our excellent facilities mean we can provide a wealth of play and learning opportunities both indoors and outdoors and our talented, teacher-led team ensure that every child has the best learning opportunities to help them develop individually.

It is important for parents and carers to feel they can come and talk to school staff. The school staff are in the gate every morning and are happy to have a quick chat. We are always happy to set time aside to meet with you for a catch-up should more time be needed.

Smooth Transitions for a Flourishing Future

Our Pre-School sessions run throughout the week, from Monday to Friday, providing a structured routine that supports each child's development. By integrating Pre-School children into Class 1, we help them build familiarity with the classroom environment, making the transition into Reception smooth and comfortable. This integration nurtures confidence and a sense of security, allowing children to flourish as they move seamlessly from one stage of their educational journey to the next.

Early Years Curriculum

At Uley School, we ensure that all children receive a broad, balanced, and rich curriculum, based on the seven areas of learning outlined in the EYFS framework.

Learning through play is a big part of the early years' experience. Children learn so much through play that it is a very important part of the school day with regular opportunities for structured and unstructured play. We encourage our children to be outside and active as much as we can.

These areas are categorised into three prime areas which are:

- 🌸 Personal, Social, and Emotional Development
- 🌸 Communication and Language
- 🌸 Physical Development.

Then four specific areas which are:

- 🌸 Literacy
- 🌸 Mathematics
- 🌸 Understanding the World
- 🌸 Expressive Arts and Design

In our practice, we focus on how children learn as well as what they learn. This includes the Characteristics of Effective Learning:

- ✿ Playing and Exploring: Children investigate, experiment, and engage with the world around them.
- ✿ Active Learning: Children concentrate, keep trying when faced with challenges, and enjoy their achievements.
- ✿ Creating and Thinking Critically: Children generate ideas, make links between their experiences, and develop problem-solving strategies.

These characteristics guide us in planning and supporting children's learning, ensuring it is both meaningful and challenging. In addition to child-initiated learning, we provide adult-led sessions tailored to specific developmental needs.

What will my child need?

- A named or clearly identifiable drinks bottle filled with water only.
- A change of clothing, plus extra pants and bottoms – just in case. Please keep on top of this and send in extra clothes when your child has required a change in school.
- We would recommend that children are toilet trained as much as possible, but also appreciate some children may take longer than others. We recommend avoiding nappies due to limited changing facilities. Pull-ups are a better option if needed.
- Pull ups, wipes and nappy sacks if your child requires these. Again, please keep us topped up.
- Ensure your child comes dressed for the weather e.g. coats, hats and gloves in cold weather and sunhats and sun cream in hot weather
- A healthy lunchbox or your child may have a hot dinner-these can be ordered through the school.
- A healthy snack for the morning and afternoon if staying all day.
- We ask that all belongings are labelled, this not only helps us relocate items but also promotes the independence of your child.
- Please do not bring toys from home as they cause upset when asked to share, or may get lost or broken.

Clothing

Pre-School operates as part of the main school and therefore wear our usual school uniform, including a red jumper with a logo and a yellow polo shirt. Pre-Schoolers may wear school trousers or skirts, plain leggings or jogging bottoms and comfortable shoes or trainers.

A warm coat for winter days and sun hats in warm weather! Sun cream must be applied at home for the day or light clothes to cover exposed skin.

Snacks and Lunches

Please provide your child with a small healthy snack for each session (no nuts please. This includes peanut butter and hazelnut chocolate spread).

Cooked lunches can be ordered at a cost of £2.54 per meal and paid for via ParentPay, or children can bring their own healthy packed lunch.
